

1. KLOVE radio station is an invaluable asset to me, by offering wholesome faith-based radio programming.
2. If KLOVE were no longer available, there would be no opportunity for praise and worship music on the radio; no testimonies of overcoming trials and tribulations; no opportunity to hear scripture for encouragement via the radio signal.
3. KLOVE is in the public's interest because it reminds people that God loves them and there is power in His Word. Christian music is uplifting and encouraging. There is far too much negativity on the television and radio waves. It would be ashame to lose KLOVE from the radio. It would be a tremendous loss to our community.
